

WEEK ENDING 5TH MAY 2023

# KINGS ACADEMY BINFIELD & OAKWOOD NEWSLETTER

## MESSAGE FROM MRS MOORE

Dear Parents and Carers,

I hope you have enjoyed the shorter week this week and that you are able to enjoy the bank holiday despite some rain.

Students have all worked hard this week, particularly those in year 11 who have started GCSEs with their language orals and students in KS1 in KAB and KAO who are getting ready for their KS1 SATS. The dedication, hard work and growth mindset students are showing will help them to achieve their very best.

I would like to take the opportunity to remind all parents/carers who drop students to school by car to try to drop off away from the school to reduce traffic and to take care when driving. I have had a meeting with local residents this week who have reported having seen some cars driving too fast in a residential area and certainly too fast for safety near the school. It is important we all take care and drive respectfully. Our children's safety is the priority for us all.

I hope you enjoy the Coronation weekend and any celebrations you may have planned.

Kind regards  
Mrs Moore

## SCHOOL DINNER MONEY ACCOUNTS

Please can we ask that you regularly check and top up your child's school dinner money account via the School Gateway app? A guide for parents is on the school website under Parents' Info/Academy Catering. Students can check how much money is on their account BEFORE taking any food as we have a balance checker sited in the canteen.

If a student's account does not have sufficient funds, students will be directed to the admin office, who will call home to request the account is topped up, before food can be purchased. Alternatively, please provide your child with a packed lunch.

Dare To Be Remarkable

FSM students will have their allowance of £2.70 automatically loaded each day. This should be used for the 2 course set meal or food items equivalent to that value. If you wish your child to spend more than this daily limit, you will need to top up their dinner money account via the School Gateway app.

Any outstanding debts on a student's dinner money account must be cleared as soon as possible and students will not be able to purchase any food items until the account is in credit.

If you have any difficulties paying the amount owed on your account, please do get in contact with the school as we can discuss how the payment can be made in a way that is manageable for you.

## YEAR 9 - IGNITING WRITING CREATIVE WRITING SESSION

This week, a group of 27 Year 9 students were fortunate enough to be selected for a creative writing taster session, run with an external visitor who leads a creative writing club at Wokingham Library.

Students were encouraged to think about the genre of fantasy and the different conventions of this text type, before embarking on their own journey as a sorcerer's apprentice on an epic quest within their own writing. They were also placed in various scenarios and asked to write about how their character would respond to various different challenges and obstacles. Students focused on elements of their writing such as sentencing, punctuation, and paragraphing, and came away with some truly fantastic pieces of writing.
