MESSAGE FROM MRS MOORE

Dear Parents and Carers

Congratulations to all our times table rock stars in KAO and KAB Primary who had a great day of activities on Wednesday. Students (and staff) had some amazing rock star outfits as well! See later in the newsletter for more details.

In KAB Secondary, we are all very proud of year 11s who are working really hard as they prepare for GCSE exams. Good luck to all our year 11 students who have their French and Spanish GCSE Oral exams starting next week. Information is coming round to you about additional 'Super Saturday' and 'Super Sunday' revision sessions and sessions that will be offered during May half term week. Please complete the electronic form if you receive an invitation for your child to attend a session.

Year 2 will be embarking on Key Stage 1 SATS at KAB and KAO in May. These tests help to check on the progress children are making and will provide information to support them as they start Key Stage 2 next year. The children have all been working really hard and are making great progress. Year 2 parents please look out for a SATS letter from Miss Kenney and Miss Begbie with further information relating to the assessments.

Thank you for your support on the day of industrial action that took place on Thursday. The next day of strikes is on Tuesday 2 May. You will receive a separate communication about the status of the school on strike day with information about the arrangements for this.

I hope you all have an enjoyable Bank Holiday weekend.

Kind regards Mrs Moore

UNIFORM SHOP UPDATED PRICE LIST

Further to our uniform supplier, Stevensons advising of the price increase that they've implemented, please see **pages 7 - 8** for full details. For those wishing to purchase the alternative summer dress option we suggested, please see last week's newsletter for the link.

MENTAL HEALTH AND WELLBEING DAY

On Friday 30th June King's Academy Binfield and King's Academy Oakwood are excited to be holding our mental health and well-being day for our students. Staff will be delivering fun sessions which students sign up to in a range of exciting activities.

We would also like to build links with external companies and organisations who can come in and deliver different activities to our students so we can offer a wide range. These might include opportunities for team building, crafting and sporting activities for example.

We are very much looking forward to re-creating the success of last year's event! We know we have a fantastic parent community here at KAB and KAO and we are asking for your help. Do you run or attend an organisation that could come into school and run workshops with students on that date? Could you recommend organisations that you have had positive experiences with in the past for such events? Please email **admin.bi@kingsacademies.uk** marked FAO Mrs Gates/Miss Howes with any recommendations/contacts for secondary phase students and **admin.oakwood@kingsacademies.uk** marked FAO Mrs Grindley for any primary phase recommendations.

PICK UP & DROP OFF REMINDER

Please be considerate to our neighbours when collecting and dropping off your child. We have received complaints from neighbours about dangerous and inconsiderate parking in the community. In addition to this, a reminder that disabled parking bays are for disabled people to use only, we have had people not able to access these spaces due to other people without disabilities parking in them.

CORONATION CELEBRATIONS AT BRACKNELL LIBRARIES

Please see **page 9** for details of activities that Bracknell Forest Council libraries are hosting to celebrate the Coronation of King Charles III.

ADVIZA CAREERS WEBINARS

Adviza are running two careers sector webinars. See **page 6** for full details of the talks on Social Work & Food Science and Technology.

Bookings are free and can be made via the <u>Events</u> page on the Careers Portal now. The webinars will be recorded and become available on the <u>Past Webinars</u> page so they can be viewed again at a later date.

PRIMARY UPDATES

AMELIA IS ON THE BALL!

A huge congratulations to Amelia in Emerald Class who won a trophy at her football club (Bracknell Girls FC) for her fantastic passing!

EMERALD CLASS

Emerald Class began our summer term by learning about Ramadan and Eid which some members of our school community celebrated.

We were incredibly lucky to have a visit from Zayna's mummy and then from Reem, one of our Year II pupils, who helped us learn more about Islam and how Muslims prepare for and celebrate Eid. A huge thank you to Zunaira and Reem! Emerald learnt all about how Muslims show gratitude during this time of year and the children did some fantastic writing about what they are grateful for.

Last week, we also went on an adventure to the new Health Centre that has been built next to our school. Marten, the site manager, kindly invited us back so we could see the amazing progress that has been made since we last visited in December. Lots of children will use this health centre when it is open and they were so impressed with the fabulous job the builders have done! The children got a sneaky peak of all the new rooms, got to have a go at using the tannoy system to call patients to their appointments and the builders even tested out the fire alarm when we were there!

This week we were flabbergasted to discover the CCTV showing there was a Stegosaurus in our garden. This has really sparked our curiosity and we've been sharing lots of things we know about dinosaurs! We've set up a dinosaur museum and can't wait to learn even more about these ROARsome creatures over the term.

JADE CLASS

Jade Class began the Summer Term by learning all about Ramadan and Eid! We learned about the importance of the five pillars of Islam and why Muslim's celebrate Eid. We were fortunate enough to have had a visit from Reem, who is one of our secondary pupils in Year 11. Reem did a fantastic job explaining to the children more about her faith and we gain such an amazing insight into what life is like during Ramadan and Eid.

Additionally, the children revisited the new Health Centre to see how far the building has come on since our last visit. We were memorised by just how big it all was! There were so many exciting rooms to explore, tables to hide under and giant windows to look out of. We even discovered what happens when we open the defibrillator box...

This week, the children were astonished to have found CCTV footage of a stegosaurus in our garden over the weekend! This has caused such a fantastic debate within the class as to whether this truly happened or not! Our role play area has transformed into a dinosaur museum and the children have loved investigating the fossils and bones the museum has on display.

Word of the Week Last week: Grateful This week: Extinct

Word of the Week

Last week: Grateful This week: Extinct

PRIMARY UPDATES

OPAL CLASS

Opal Class have had a brilliant start to the Summer Term! We kicked off our Science topic of Plants and Trees with a Spring walk around the big school! We had iPads and checklists to see how many different signs of Spring we could find! We took photos of things such as nests, blossom, buds and daffodils. We are excited to look at plants in more detail next! We have also been enjoying our new English topic of fairytales. We read a story called The Stinky Cheese Man (which we all thought was hilarious), which is a version of the traditional tale The Gingerbread Man. We have loved creating our own edible characters to prepare for writing our own version of the story.

Lastly, we loved TT Rockstars day! We launched Numbots and practiced logging in, and then choosing our Numbot character and their name. Then we played the game, working our way through the levels of addition and subtraction and earned lots of coins to upgrade Rusty the bot! The children are really excited to play at home on their devices!

WILLOW CLASS

Willow class enjoyed learning how and why Muslims celebrate Eid. They built mosques, made paper lanterns and listened to Quran recitations. They explored how and why Muslims fast during the special month of Ramadan and how they celebrate Eid at the end of Ramadan. We were very grateful to our friend ldris for sharing with us how he celebrated Eid with his family.

In Maths the children are learning to use a 'partwhole' model and numicon to reinforce their understanding of number composition to ten and more. They had fun making their own number stories with fruits before writing their number sentences. Our new dinosaur topic has sparked lots of interest from our young palaeontologists who were keen to share their already impressive knowledge in their writing! They enjoyed visiting our dinosaur museum where they discovered an interesting collection of fossils, some fascinating non-fiction books and all sorts of herbivorous and carnivorous ... dinosaurs of course!

The children have started rehearsing for their class assembly on Thursday 4th May and look forward to seeing all on the day!

ASH CLASS

Ash class have been having fun with the introduction of multiplication. We have been making groups, doing repeated addition and making arrays. Our arrays have been made out of a variety of things!

Ash have loved the new addition to the classroom, a cosy cover which has our role play area with a farm! In English we have been learning the story of the Gingerbread man and The Stinky Cheeseman. We innovated the story to create our own, with interesting new main characters!

We have had lots of fun dressing up as rock stars and enjoyed using Numbots, which we hope they will also enjoy using at home.

PRIMARY/SECONDARY UPDATES

BIRCH CLASS

We have had a great start to the new term and the children are getting excited for their brand new topics! In Geography children have been learning about the seas and oceans of the world and did some research of the 5 main oceans. They found some very interesting facts about each one! We have also begun our new science topic of Animals and their habitats. This week we learned about world habitats and organised animals into which habitat we thought they lived in based on their adaptations.

The children had a fantastic day on rockstar day and were introduced to the fun of Times Table Rockstars. Some received their first certificates so hopefully many more will get some as they practise at home!

PINE CLASS

We have had a great start to the new term and the children are getting excited for their brand new topics! In Geography children have been learning about the seas and oceans of the world and did some research of the 5 main oceans. They found some very interesting facts about each one! We have also begun our new science topic of Animals and their habitats.

This week we learned about world habitats and organised animals into which habitat we thought they lived in based on their adaptations.

The children had a fantastic day on rockstar day and were introduced to the fun of Times Table Rockstars. Some received their first certificates so hopefully many more will get some as they practise at home!

Please visit our class blog to see more learning - Pine Class Blog

SYCAMORE CLASS

Sycamore have had a fantastic start to the Summer term! In English, we've been working on nonchronological reports about the planets in our solar system (which ties into our science topic!) In Art, we've been learning about the pop-art movement and creating repeating pattern artwork in the style of Andy Warhol (which ties in with our geography theme of global trade!). Please visit Sycamore's blog to see even more of what we've been up to: <u>Sycamore Blog</u>

YEAR 8 MARWELL ZOO VISIT

Later on this term year 8 will be learning more about evolution and adaptations in their biology lessons. In preparation for this and to help bring their learning to life we took a trip to Marwell Zoo near Winchester. The students spent the day exploring and learning more about the habitats different species live in and some of the physical and behavioural adaptations they have to allow them to survive. They also learnt more about the conservation work going on to help prevent more animals going extinct.

The penguins, tiger, sloth and giraffes were firm favourites with the students and staff alike! The whole group were fantastic throughout the day representing themselves and the school well.

DATES FOR THE DIARY				
Monday 1st May	Bank Holiday (school closed to students & staff)			
Tuesday 2nd May	Jade Class assembly (KAB)			
Thursday 4th May	Willow Class assembly (KAO)			
Thursday 4th May	Year 10 Parents Evening			
Friday 5th May	Quartz Class (KAB) Enrichment Session - 2:30pm start			
Monday 8th May	Bank Holiday (school closed to students & staff)			
Friday 12th May	Topaz Class (KAB) Enrichment Session - 2:30pm			
Monday 15th May	GCSE Public Examination Window Commences			
Wednesday 17th May	Emerald Class assembly (KAB)			
Friday 19th May	Opal Class (KAB) Enrichment Session - 2:30pm start			

Presented by Tim McLachlan from The Institute of Food Science and Technology

Tuesday 9th May 2023
