

WEEK ENDING 23RD JUNE 2023

KINGS ACADEMY BINFIELD & OAKWOOD NEWSLETTER

MESSAGE FROM MRS MOORE

Dear Parents and Carers,

We have had another busy week with Year 10 students completing their first week of Pre-Public Exams (PPEs) and Year 2 students completing KS1 SATs. Students are all working well, and Year 10 are really getting into the swing of exam processes ready for next year when they start to prepare for their GCSEs.

The NEU have announced further strike days on 5th July 2023 and 7th July 2023. As previously, we are working with staff to find out their intentions regarding industrial action on these days. The strike days coincide with the Year 4 residential trip and the Year 6 to 7 transition day. We aim to ensure both these can go ahead, but this will mean other year groups will not be able to attend. I will be in touch with you at the start of next week with further information.

This week we have been pleased to welcome parents and carers of children who will be coming into Year R in September. It has been lovely to meet them all and we look forward to their children joining the King's Academy family at the start of next year.

On Monday we will be celebrating the end of an era with Year 11 KAB students at their formal celebration assembly which will be attended by all year 11 students, their parents/carers and all staff. To facilitate this special occasion, **students in Years 7, 8, 9 and 10 will finish early on Monday 26th June 2023, leaving at 1.10pm.** We are delighted to be welcoming back Mrs Howells who will present the prizes to this special group of year 11s who were the first students in King's Academy Binfield.

Kind regards,
Mrs Moore

Dare To Be Remarkable

KABKAO UPDATES

MERRYN IS FULL OF CHEER!

Congratulations to Merryn in Year 5 at KAO, who recently travelled to Birmingham for the Legacy Cheer National Championships where she came 6th with her team. Well done on another successful competition.

KAB YEAR 7 FUNDRAISING FUN

As part of the Year 7 Charity Initiative Project, 7CJA nominated to raise money for Cancer Research UK.

When selecting the charity to raise money for, numerous groups made presentations about why this charity was so important to them, with many students in the class sharing the names of people they know who have had, or still have, cancer.

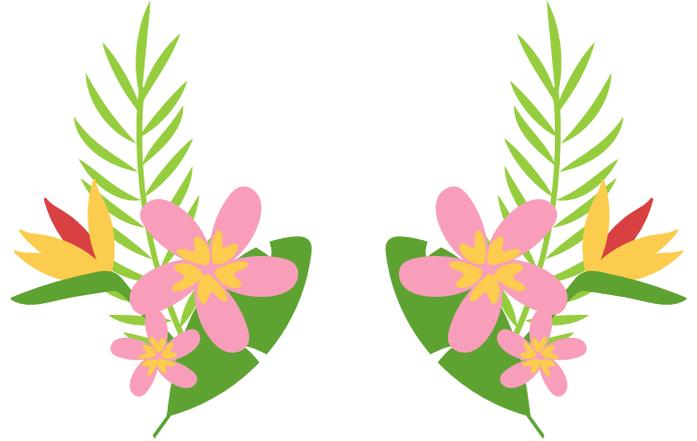

Students also voted, quite enthusiastically, to take part in a sponsored run to raise money for this worthwhile cause. Students ran/walked/jogged laps of the school running track on the afternoon of June 19th.

On the day, Ms Jackson and 7CJA completed a total of 210 laps, with a number of students running 5k. To date, the class has managed to raise an impressive sum of £775. Ms Jackson has said 'I am incredibly proud of everyone who has taken part in the sponsored run and am equally grateful to everyone at home who has donated money for this worthwhile cause that is so special for so many of us.'

SECONDARY PHASE MUSICAL PRODUCTION AUDITIONS

Please see page 4 for information about the auditions for our next KAB musical production.

UNIVERSITY OF READING AUTISM RESEARCH PROJECT

Researchers at The University of Reading are looking at how Autistic children process visual information and make decisions about it, and how it compares to children without a developmental condition.

For more information about participating, please see the flyer on page 4.

THE WAYZ YOUTH ACTIVITY CAMPS & LEISURE SERVICES

Please see pages 5 & 6 for details of summer activity camps and other youth leisure services offered by The Wayz for young people across the Bracknell Forest area.

Please contact admin@thewayzyouth.co.uk for more details or booking.

BRACKNELL COBRAS SUMMER BASKETBALL CAMPS

The Addams Family
SCHOOL EDITION

ANY STUDENT WHO IS INTERESTED IN AUDITIONING WILL NEED TO COMPLETE THE GOOGLE FORM WHICH IS AVAILABLE ON THEIR TUTOR GOOGLE CLASSROOM BY FRIDAY 30TH JUNE 2023. WE WILL BE LOOKING FOR LEAD ROLES, ENSEMBLE CAST MEMBERS, A BACK STAGE AND TECHNICAL CREW.

WE WILL BE CASTING IN SEPTEMBER AND CAN'T WAIT TO BEGIN OUR REHEARSALS READY FOR THURSDAY 1ST FEBRUARY 2024 WHEN WE OPEN OUR DOORS TO YOU FOR OUR FIRST OF FOUR PERFORMANCES!

ANY QUESTIONS, PLEASE ASK A MEMBER OF THE PERFORMING ARTS TEAM.

TAKE PART IN RESEARCH

How do autistic and non-autistic children process visual information? Help us find out!

Researchers at the University of Reading are finding out how autistic children process visual information and make decisions about it, and how this compares to children without a developmental condition. The research will help us understand more about sensory processing in autism.

We are looking for children aged 6 to 14 years, who have either:

- an autism spectrum diagnosis,
- OR
- no diagnosed developmental conditions

To take part in a study looking at how they process sensory information

Children will play some fun computer games where they are asked to work out the direction of a set of moving fireflies and the way in which striped beetles are facing. Children will also do some simple language and reasoning tasks, and parents/guardians will be asked to complete some questionnaires. Families will be given a voucher as a thank-you for taking part and we will reimburse travel expenses if you come to the university.

CONTACT

If you are interested in your child participating, or want to find out more, please contact:
