## MESSAGE FROM MRS MOORE

Dear Parents and Carers,

Congratulations to everyone for the ongoing drive for excellent attendance. We have received certificates for top 10% attendance in the country at KAB Secondary and Primary phases and top 25% at KAO. Great attendance really makes a difference to student progress and students have shown that they really do DARE to be remarkable.

We had a wonderful day on Thursday celebrating World Book Day, a day dedicated to reading for pleasure. Willy Wonka and Charlie and the Chocolate Factory proved particularly popular this year with students in KAO and KAB Primary phase dressing up as Willy Wonka, as well as other characters including the Golden ticket.

The Science department in KAB secondary surpassed themselves with the whole department dressing up in Willy Wonka themed costumes, we even had a chocolate bar! KAB primary staff were all Little Miss and Mr Men and KAO and KAB Primary classroom doors were a sight to behold. Students in year groups up to Year 9 have received book tokens. I hope they enjoy reading the books they choose with them.

Year 12 Geography students have been to Snowdonia this week where they were working to collect and analyse data as part of their studies for A Level Physical Geography. Although they arrived back much later than expected, all the students had a fantastic time and were commended by the Snowdonia field studies team on their efficient data collecting and excellent organisation skills.

Year 11 Food Technologists have completed their practical assessments for GCSE this week. Staff were required to taste the final products and really enjoyed the outcomes of student work.

We were delighted to welcome parents/carers of Year R and Year 1 to the enrichment programme at KAB Primary today. Students enjoyed showing the activities they have chosen to participate in this term and were able to entice some parents/carers to join in as well.

I would like to remind all parents/carers to complete the anonymous [EDI survey](#). Sharing your views about equity, diversity and inclusion will help us to plan improvements for the future.

I hope you all have a lovely weekend.

Kind regards  
Mrs Moore

## DATES FOR THE DIARY
