MESSAGE FROM MRS MOORE

Dear Parents and Carers,

We have had a very busy week this week with Year 6 SATS, Year 11 GCSEs and even some Year 12 AS levels. Year 6 students have all conducted themselves exceptionally well and have tried really hard in every paper. Year 11 students are all tackling their GCSEs with confidence so far and have now finished the second week of exams. We are really proud of all our students and the effort and resilience they are all showing as they progress through this summer exam season. Well done to all of them.

This week we were lucky enough to have Sharon Girling, OBE, in school. Sharon is a specialist in the field of child online safety having served as a special investigator for the UK police for 30-years. Sharon worked with students in Years 5, 7, 8, 9 and 10, gave training to all our staff and presented to parents in the evening. We all benefited from Sharon's wealth of experience in helping us all to be safer and more responsible online and to support our children to keep themselves safe in the online environment. Further information about online safety can be found on our [website safeguarding pages here](#). Huge thanks to Sharon for all her work and for spending the day with us here at KAB.

Our Duke of Edinburgh bronze and silver students are on a practice expedition to Burnham Beeches this weekend and Year 6 KAO students have been to Legoland today. We look forward to hearing about both these excursions next week.

I hope you have an enjoyable weekend.

Kind regards
Mrs Moore
