MESSAGE FROM MRS MOORE

Dear Parents and Carers,

I would like to begin by saying a heartfelt thank you to our amazing PTA members who organised such a fantastic Summer Fair for KAB/KAO last Saturday. We were lucky to have perfect weather, the stalls were amazing and the choir sang beautifully.

It was great to see so many families from the KAB/KAO community getting together and have such a wonderful time. Thank you again to the parents/carers, staff and students who did so much to prepare, organise, set up and tidy away.

The bronze assessed Duke of Edinburgh expedition was also going on at the same time as the Summer Fair. Students faced challenges of heat, and their heavy bags as they hiked from Newlands Corner on Saturday, camped overnight and hiked again on Sunday. There were a lot of tired but happy faces at school on Monday. Congratulations to all who passed the bronze expedition.

Year 4 have been on their residential trip to Runway's End. They have been away since Wednesday and so I have not yet had the chance to find out about the highlights of their visit. I am looking forward to hearing all about it next week.

Year 3 have had Roman Day this week and we saw some amazing roman robes and centurions costumes. Students experienced a range of activities, even putting together food similar to that consumed in Roman times! On Monday, Year 7 went on their year group team building day out to the Hi5 activities centre. They took part in a range of group challenges which everyone enjoyed and, not to be left out, KAB6 students have taken part in post 18 careers development days this week as well. A busy time for everyone!

On Friday this week all KAB/KAO staff are going to the Wellington College Festival of Education for training on our INSET Day. Staff are looking forward to inspirational speeches and presentations and bringing back new ideas to support student progress in all our classrooms. This means there is no school for students in any year group on Friday 5th July 2024.

We look forward to seeing students again on Monday refreshed from a slightly longer weekend. Enjoy the good weather!

Kind regards,

Mrs Moore

KABKAO UPDATES

SKYLAR'S GYM WIN

Skylar, in Year 4, recently took part in a gym competition and won 1st on floor and 2nd on vault.

Last year, Skylar went through a rough patch where she struggled mentally and emotionally. Fast forward to now, she has worked hard and is back to where she was and loving gymnastics again!

We are very proud of her resilience and a life lesson that you can achieve anything when you work at it.

Way to go, Skylar!
