MESSAGE FROM MRS TATE

Dear Parents and Carers,

We have now completed our fifth week back at school since returning from the summer break and so much learning has happened during that time!

This week, we introduced Remarkable Routine three to the children which is all about moving around school calmly and promptly. Walking on the left hand side is a work in progress for some of our younger students but everyone is trying their very best to be remarkable.

This week primary students from KAB and KAO have represented us in cross country at Great Hollands recreation ground as well as the Invictus Games. All student represented the school beautifully and showed great competitive spirit.

Next week our students across the academies are looking forward to a local walk for our Year 1 students, a netball skills course and enrichment sessions. Remember that we also have flu immunisations taking place next week.

Our staff look forward to meeting you at the parents' evening during the week of the 14th October. Please make sure you have signed up for an appointment to find out how your child has settled into their new class and how you can support them moving forwards.

Best wishes,

Jacqueline Tate
