## MESSAGE FROM THE VICE PRINCIPALS

Dear Parents and Carers,

We have had a busy week this week at King's Academy Binfield Secondary. From trips to sporting events.

Revision for the Year 11 PPEs after half term is in full swing and our Year 13 students are making final preparations for their exams which commence on Monday. We hosted families from KAB6 on Thursday at an Information Evening. Our Remarkable Readers enjoyed their trip to the Harry Potter Studios. Year 9 students have started their programme of careers meetings with our dedicated careers advisor Tim Swithenbank.

Assemblies this week have focussed on our DARE value 'Respect'. Students were attentive, engaged and respectful!

**A reminder that photographs will be taken on Tuesday for Year 7, Year 9 and Year 11.**

We are edging closer to half term, but look forward to the many activities still to come in the next two weeks.

We wish Year 13 the very best of luck with their PPEs starting on Monday where we are confident that will show how 'remarkable' they are!

## REMARKABLE TURNOUT BY YEAR 11

Year 11 Revision Sessions have started this week. There was an impressive turnout for English on Thursday and there are sessions now running Monday - Thursday. The timetable has been shared with students and will be sent out to parents too. Please encourage your child to attend.

## HARRY POTTER

On Tuesday, 61 of our Remarkable Readers visited the Warner Bros Studio Tour- The Making of Harry Potter- in recognition of their exceptional effort on Sparx Reader last year. The day began with a 'From Script to Screen' workshop, giving us a fascinating insight into the whole production process of a film and the chance to see a variety of props used in Harry Potter, including Hagrid's enormous costume! Then came the tour itself and, as it is October, the Dark Arts had taken over- meaning the Great Hall was full of pumpkins and Death Eaters prowled the grounds. There were plenty of photo opportunities as we saw sets from Hogwarts, Diagon Alley, and Gringotts Bank, with a guest appearance from a dragon. As always, our students behaved remarkably and enjoyed a fantastic day out - we look forward to returning to celebrate further reading success.

## KAB6 PARENTS INFORMATION EVENINGS

Thank you to all our families in KAB6 who joined us for the Year 12 and Year 13 Information Evenings. We hope you found the evening helpful. We will share the slides of the presentations via email. We look forward to working with you all as we support our students in their transition to Year 12 and as our Year 13 edge closer to their next steps beyond the Sixth Form. If you have any questions please don't hesitate to contact the KAB6 Team.
