MESSAGE FROM MRS BENDALL AND MRS TAYLOR

Dear Parents and Carers,

It has been a very busy week with lots to talk about and celebrate!

On Monday all students and staff in the KAB community observed the 2 minutes silence, reflecting on the sacrifices made by others during times of conflict.

On Tuesday students marked Anti Bullying Week with Odd Socks Day. There were many wonderful combinations, bright, fluffy and sparkly! Staff and students alike wore their odd socks to make their stand against bullying behaviours and to support the focus this year of choosing respect.

On Thursday evening we had the sixth form open evening. We were very happy to welcome over 200 people to hear the sixth form team present, have a tour around the KAB6 area and to talk with subject specialists about the courses on offer. We have some exciting new courses this year and moving forwards Mr Blake and his team will be supporting students with making their Post 16 decisions.

On Friday students were able to 'Choose their Shoes' in aid of Children in Need. Again there were lots of different choices including sliders and crocs with socks!

Finally, last but definitely not least! Year 11 have completed their second week of PPEs. They have had exams most mornings and afternoons for the past 2 weeks and have been practicing the strict exam procedures they will be required to follow in the summer. They have all worked extremely hard, we know they are tired and hope they have a well earned rest over the weekend. Teaching staff are now furiously marking, ready for the results assembly and to be able to give valuable feedback to students.

We want to wish the whole KAB community a restful and relaxing weekend after such a busy week.

Best wishes,

Mrs Bendall and Mrs Taylor
Vice Principals

PE UPDATES

THURSDAY 7TH NOVEMBER – WEDNESDAY 13TH NOVEMBER

YEAR 8 FOOTBALL

This week the Year 8 Football squad played in the third round of the English Schools Football Association Cup competition. As the squad progresses in the competition, they start to play against more technical and stronger teams. The Year 8 squad have to lift their level of performance for every round.

The third round game was no exception. The squad rose to the challenge yet again with an outstanding technical performance that encapsulated their remarkable spirit and teamwork. In a very hard fought and tense game, KAB came out on top, winning 4:2!

In addition to their remarkable togetherness, all the players quite literally gave everything they had and the level of commitment and dedication was quite remarkable.

The squad now advance to round four and we are all looking forward to the next game.

Congratulations to the whole squad for another remarkable performance!

YEAR 9 RUGBY

This week the Year 9 Rugby squad played a fixture against Garth College. The team have made excellent progression through the term and demonstrated brilliant skills throughout the match.

However, they went down fighting with a loss to Garth College who won 5 tries to 1 try. The last 10 minutes of the game was a pleasure to watch as the team came together to show what they have learnt over the past 10 weeks, to score a fantastic try after going 5 tries down.

The team showed remarkable attitude throughout the game and demonstrated lots of DARE qualities. .
