## MESSAGE FROM MRS TATE

Dear Parents and Carers,

It's been another busy week here in the primary phases at King's Academy Binfield and King's Academy Oakwood! I have been concluding the prospective parent tours for our Year Reception spaces, and it has been a pleasure to show families around both schools. It's always a delight to witness the incredible learning taking place across all year groups.

On Tuesday, Year 5 classes from both KAB and KAO had an exciting STEM trip to Silverstone, where they participated in hands-on workshops and explored the fascinating museum. The experience sparked creativity and learning, and we are grateful for the opportunity to enrich their education in such a unique way especially as our academies are based in such a STEM rich area.

On Thursday, the Year R classes from both academies gathered at KAB for a special space-themed event. They enjoyed an inflatable planetarium and a fantastic workshop about the wonders of space, igniting their curiosity about the universe.

Also on Thursday, our Year 5 and 6 students took part in Indoor Athletics at Bracknell Leisure Centre. It was a fantastic opportunity for them to demonstrate their competitive spirit while working together as a team.

As always, we wish all parents and carers a restful and enjoyable weekend.

Jacqueline Tate  
Head of Primary  
King's Academy Binfield and King's Academy Oakwood

We might inform someone if we were concerned about your safety but we would usually speak to you first. Your messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we have received your text. Texts will only be seen between Mon-Fri 9am-4:30pm. If you need help before you hear back from us contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.
