Suitable for ECT's or experienced teachers

A fantastic opportunity awaits. We are seeking an inspiring and creative KS2 teacher to join our team at an exciting time of expansion for King's Academy Binfield (KAB) and King's Academy Oakwood (KAO). This is a chance to plan, deliver, and evaluate stimulating learning experiences within a vibrant, all-through school environment.

The successful candidate will be an organised, motivated, and creative educator with the skills to make learning both challenging and fun. We are looking for a team player who is committed to high standards, possesses a great sense of humour, and can inspire both students and colleagues alike.

You will join a wonderfully supportive and aspirational staff team. We are a self-reflective community that constantly strives for excellence, ensuring the children in our care receive the very best opportunities in every aspect of their learning.

- King's Academy Binfield (KAB): A unique all-through school catering to students from Nursery through to Sixth Form.

We are looking for an excellent classroom teacher who will truly "get stuck in" and involve themselves in the wider life of the academy. A genuine commitment to our 'whatever it takes' ethos is essential to ensure every young person at KAB and KAO has the opportunity to thrive.
