

King's Academy Binfield

Thursday 26th March 2026

Dear Parents/Carers

I am absolutely delighted to welcome you and your child to King's Academy Binfield. This moment marks the beginning of an important and exciting journey. Whether your child is continuing with us from our primary phase or joining us as a new member of our community, they are stepping into the next chapter of their education — one that will shape not only what they achieve, but who they become.

Thank you for placing your trust in us. Choosing a secondary school is a significant decision, and it is one I do not take lightly. At King's Academy Binfield, we are relentless in our commitment to ensuring that every child is known, supported and challenged to succeed. We are ambitious for every single student, and we will not lower those expectations, because we know what our young people are capable of.

Our vision is clear: *opportunity and success on a global stage*. This means we are unapologetic in preparing our students for a world that is competitive, fast-moving and full of possibility. We will open doors, broaden horizons and ensure that every child leaves us with the knowledge, confidence and character to thrive wherever their path may lead.

At the heart of everything we do are our core values of honesty, faith and courage. We expect honesty in actions, in effort and in character. We build faith. A deep belief in what every child can achieve, regardless of their starting point. And we develop courage. The courage to step forward, to embrace challenges, and to keep going when things are difficult. These values are lived every day. They underpin our culture, shape our expectations and define the kind of community we are proud to be.

Opportunity and Success on a Global Stage

Executive Principal: Miss Kerri-Anne Leavy

We are proud of the culture we have built at King's Academy Binfield, one where students feel safe, valued and inspired, but also one where high standards are the norm. We believe that success is built on these standards, and we will work in partnership with you to ensure your child meets them every day.

The transition to secondary school is a significant milestone, and we are committed to making this both smooth and purposeful. We will work closely with your child's current school to ensure we understand them fully, because getting this right matters. However, it is also the beginning of a step up. With new opportunities come higher expectations, and we will support every student to rise to them.

We are very much looking forward to welcoming all our new Year 7 students for their induction days on **Wednesday 1st July and Thursday 2nd July**. These days are a vital part of the journey and provide opportunities for students to meet staff, begin forming friendships, experience lessons and start to feel a true sense of belonging within our academy.

Further information about the transition process will be shared with you in due course. In the meantime, should you have any questions, please do not hesitate to contact us:

transition.bi@kingsacademies.uk.

Once again, welcome to King's Academy Binfield. I look forward to working together over the coming years and to seeing your child grow, succeed and truly flourish as part of our community.

Yours sincerely,

Kerri-Anne Leavy
Executive Principal
King's Academy Binfield and King's Academy Oakwood
