A genuine commitment to professional trust: Supporting leaders to flourish through wellbeing and developmental support.

As part of our all-through academy, you will benefit from working within a unique educational environment spanning Nursery to Post-16, offering opportunities to understand and shape the full student journey. Our growing Sixth Form and expanding provision create exciting possibilities for developing Key Stage 5 success and long-term career development.

We are looking for an excellent classroom practitioner and leader who can inspire and motivate students to achieve their very best. The successful candidate will:

- Demonstrate the ability to engage and challenge all learners, ensuring every student reaches their full potential.
- Thrive as a subject leader and contribute meaningfully to the wider life and cultural capital of the academy.
- Be reflective and ambitious, taking ownership of the department's success and their own professional growth.
