

King's Academy Binfield

Teacher of Science

MPS/UPR (including fringe)

Inspire curiosity. Ignite discovery. Shape confident young scientists. Join a bold and ambitious all-through academy.

King's Academy Binfield is seeking to appoint a passionate, dynamic and innovative Teacher of Science to join our ambitious and growing academy community.

This is an exciting opportunity to be part of a thriving Science faculty within a forward-thinking all-through school, where curiosity, enquiry and high-quality learning are at the heart of what we do. You will join a team committed to delivering an engaging, knowledge-rich curriculum that inspires students to explore the world around them and develop as confident, analytical and independent thinkers.

At King's Academy Binfield, Science is a central pillar of our curriculum and our wider vision of providing opportunity and success on a global stage. We believe that scientific understanding empowers students to question, investigate and make informed decisions about the world they live in. Our well-resourced laboratories and carefully planned curriculum support students in developing both academic excellence and a lifelong interest in science.

Our Science faculty is characterised by:

- A strong commitment to subject-specific professional development
- A collaborative and supportive team culture, where ideas and expertise are shared
- A reflective approach to teaching and learning, with a focus on continual improvement
- A clear understanding of the importance of curriculum design and high-quality delivery
- A genuine commitment to staff wellbeing and professional trust

As part of our all-through academy, you will benefit from working within a unique educational environment spanning Nursery to Post-16, offering opportunities to understand and shape the full student journey. Our growing sixth form and expanding provision create exciting possibilities for both teaching and career development.

We are looking for an excellent classroom practitioner who can inspire and motivate students to achieve their very best. The successful candidate will:

- Have a passion for Science and a commitment to high standards of teaching and learning
- Demonstrate the ability to engage, challenge and support all learners
- Thrive as part of a collaborative team and contribute to the wider life of the academy
- Be reflective, ambitious and committed to their own professional development

We are particularly keen to hear from candidates who embody our core values of Honesty, Faith and Courage — approaching their work with integrity, optimism and a determination to make a meaningful difference.

King's Academy Binfield is a vibrant, inclusive and ambitious school, where staff are supported, valued and empowered to grow. Collaboration, professional respect and shared purpose underpin everything we do, ensuring that both students and staff can flourish.

Application Process

For full details and an application form, please visit our website or the My New Term platform, or contact Amber Walker, HR Coordinator, at amber.walker@kingsacademies.uk. We warmly welcome visits to the academy and would be delighted to meet you.

Completed application forms should be submitted to Amber Walker by 9am on Friday 29th May.

King's Academy Binfield is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful applicant will be required to undertake an Enhanced DBS check.
